

12-INCH BOARDS

\$2.50 PER HUNDRED

These are long leaf, soda dipped, steam dried and run nearly 50% clear.

The long leaf yellow pine gives much better satisfaction for boards and dimension, is not affected as much by the weather as the common short leaf yellow pine and is almost as strong as oak.

You cannot afford to miss these.

As a result of a conference between Harvey G. Parsons, chief of police; Dr. Claude C. Lull, county physician, and W. L. Porter, city commissioner of parks, plans have been worked out whereby there will no longer be any

difficulty in giving emergency treatment to persons taken to the police station. Dr. Harold B. A full attendance of the Topeka Jobbers and Manufacturers' association members is expected at the 6 o'clock dinner to be held at the Commercial club quarters Tuesday night. Plans for the "merchants' week" entertainment which will be held next fall will be discussed.

To The Public

In order that we may give you the best and most up-to-date service, we will, about August 7th, change our book-keeping system and install the Burroughs Posting Machines.

If we do not have your pass-book now, will you please bring it in or mail it to us for balance on that date?

After the change no pass-books will be balanced, but a statement of your account will be ready for you any time you call.

These machines are being installed after a very thorough investigation, at a cost of about three thousand dollars, that we may give the most accurate service to be had. If interested, we invite you in to see them work.
